TOWN CRIER

The magazine for Elstree & Borehamwood residents

Elstree & Borehamwood 55th Annual Civic Festival 2011

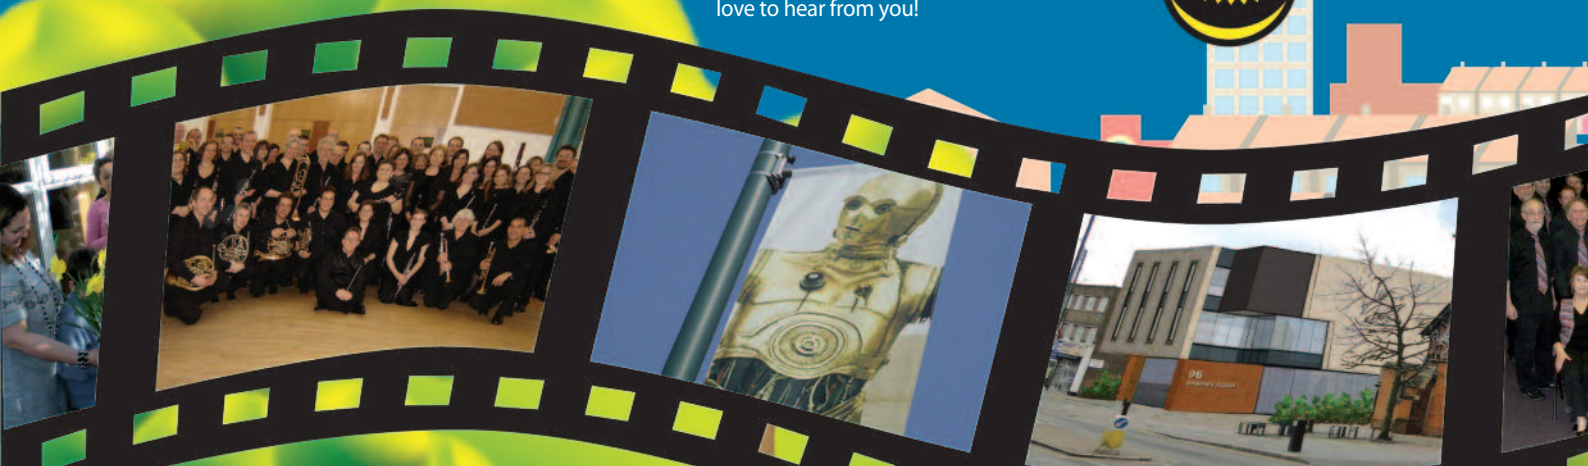

Summer is here and alongside the usual mix of community news this bumper edition contains all you need to know about the 55th Annual Elstree and Borehamwood Civic Festival. Starting with the Carnival Parade on Saturday 18th June to Families Day on Saturday 2nd July you'll find details of many FREE or heavily subsidised events on offer in the town! The activities cater for a range of ages and tastes so you can be sure to find something fun to get involved with!

18 June to 2 July

Huge thanks go out to the many partners and volunteers who work together to make the Festival possible each year as well as local businesses such as medical tech wizards Apatech who sponsor the Parade, tree experts Gristwood & Toms who are providing a lorry and driver for the community float and the high fliers at The Cabair Group who have offered the brilliant prize for our festival photo competition.

For information on any of the events listed here, or for details of how to get involved in Town Council events in the future, please feel free to contact us at any time. We'd love to hear from you!

Hear Ye! Hear Ye!

Farewell letter from the Town Mayor

What an honour that one of my last acts as Mayor is to welcome you all to the second edition of the Town Crier.

It's been a fantastic year and a wonderful opportunity for me personally to have met so many of our community at the various events, charity fundraisers and functions in the town. The Town Council has worked hard to ensure that whilst costs are cut we are able to bring you 3 editions of the Town Crier this year and still improve our services to local residents. The annual report of the Town Council is published on pages 10 and 11.

As you know the Town Crier is not just a way to inform you of local developments but to celebrate the diverse activities of local clubs, groups and societies. We can't do it without your input! The new Mayor of Elstree & Borehamwood Town Council will be at many of the excellent events lined up as part of this year's Civic Festival so do come and say hello - there's something for everyone and it's all detailed in the centre pages. Finally, may I take this opportunity to wish you all the very best in your endeavours and I look forward to seeing you out and about in the town.

Cllr. Anne Mitchell

How to send articles

Email towncrier@elstreeborehamwood-tc.gov.uk as soon as you can whenever you think of something. Remember to include photos or images if you have them. You don't have to send a fully-written article but it does help! General guidelines are:

- Keep articles to 300 words or less
- Use plain text, word or email
- Typed or legible hand written articles will be accepted if you do not have access to a computer
- Photos, logos, images etc: sent as jpg, pdf, bmp or tif file formats by attachment or CD
- To include upcoming events in your article please ensure you allow for deadline and delivery schedules. For example, the Autumn edition will detail events from September to November so events falling outside those times are unlikely to be of interest!

Deadlines

Deadline for inclusion in Issue #3 (Autumn Edition) is Friday 22nd July 2011.

Delivery

If you know of any residents in the Elstree and Borehamwood area that did not receive a copy of this, or if you received more than one, please contact us to let us know.

Celebrating the Town's Film and Television Heritage

In our first issue we announced First Impressions, a project to celebrate the rich film and television history created right here on our doorstep.

Since then the project team has been working hard to begin to create a more attractive and exciting street scene from the gateway at the station, along Shenley Road to the Elstree Studios.

Last Summer the Town Crier invited local residents to vote for the film and TV greats who they wanted to see honoured. Over a thousand votes were cast, and stars for the top 11 actors placed in the revamped forecourt at the station.

The project team secured permission to display some of the most iconic film and TV images ever, and now banners featuring 12 different images line Shenley Road.

Meanwhile the plaques which the Town Council has awarded since 1996 have been cleaned and set on panels with added words and pictures.

This celebration of an extensive film and TV heritage "could only happen in Borehamwood" and so an empty shop window is being made-over with this theme. We hope this new display will

be the first of many!

Please tell us if you think these steps are heading in the right direction.

And if you wish to suggest other ways to build on these First Impressions please let us know.

Update on 96 Shenley Road

Since the last edition many of you may be wondering what has been happening with the planned community complex designed to replace the Village Hall.

HCC and church representatives have now agreed terms to enable the creation of the new community resource on the site of the old church halls. The project came about through creative partnership working with HCC, All Saints Church and Hertsmere Borough Council. Planning permission was granted late last year for a new building to accommodate a Library, Youth Connexions services, Town Museum, community and training facilities.

Building works should commence this summer to be ready for local community use autumn 2012. The Town Crier aims to bring you further information in future editions.

Young people make a positive impact

Did you know a team of young people are making a positive difference to your community?

Borehamwood and Elstree are benefiting from the skills of 30 young police cadets from across the borough who have been helping to make the area an even safer place to live, work and visit.

Since Hertsmere Volunteer Police Cadets (HVPC) launched in May 2010 its members have been involved in the Carnival Parade and Families Day, police station open day, Remembrance Sunday Parades and completed crime prevention surveys with the public.

Team building weekends and summer camps have helped them to improve their self esteem and confidence and most recently, 16 cadets passed a first aid training course – skills which they will now have for life and could be vital while carrying out their work in the community.

The cadets meet fortnightly and support the regular police in a range of duties, including helping to direct traffic and giving crime prevention advice. They were even part of a search team who helped to look for a vulnerable woman who was missing from home.

Loran Kingston, volunteer cadets leader, explained: "The group is much more about young people getting together: the cadets have an input in police procedures and the law, learn great skills such as team building and leadership, as well as getting out and about in their communities and making a real difference to people's lives.

"One aim of the cadet scheme was to introduce positive activities for young people and it has been such a success. They have really developed into role models for others and are reaping the rewards of being a part of something so worthwhile."

There is already a waiting list to join the scheme but if you would like more information visit the website www.hvpc.org.uk or email hvpc@herts.pnn.police.uk

Royal British Legion

The Borehamwood Royal British Legion has been long been a part of the annual Civic Festival celebrations and this year's Carnival Parade will be no exception. The Branch's Women's Section will once again be providing a float which will mark the Legion's 90th Anniversary Celebrations.

The Borehamwood Branch continues to support the Legion as it provides financial, social and emotional support to the millions who have served, or are currently serving in the Armed Forces. The Branch is rightly proud of its work with the annual poppy appeal – so far the current appeal stands at a record breaking high of over £26,000. In such time of austerity this really shows how much local people care what happens to our Forces community.

2011 is the Legion's 90th Anniversary year and whatever the next 90 years may bring the Legion will be there to support returning heroes. Borehamwood hopes to continue playing its part in the work of this exceptional organisation.

Back in April 2004, Chel and Ian Revens set up the Com.unity Choir, as an inclusive, inter-faith and multicultural choir, to offer more opportunity for people to sing together in Hertsmere, regardless of ability. Com.unity is not a traditional choir, as no-one needs to have an audition or read music, also members don't need to have any prior singing experience.

The Choir now has 75 members with a variety of experience and ability (and with an age range from 16-86!) All are welcome and encouraged to sing together and some members travel from all over Hertfordshire.

This year the Choir have already attended several high profile events and for the third year in succession have been asked to perform at Trafalgar Square on the 12th June for the Ratha Yatra Hindu festival.

Com.unity looks forward to going from strength to strength, to be able to offer members opportunities to learn, perform and work in partnership with community groups and statutory agencies, to be Together through Music.

Rehearsals take place Mondays 7.30pm - 9.30pm at Hertswood Lower School, Cowley Hill, Borehamwood WD6 5LG and always welcomes new members.

To find out more, come along and say hello to the Choir at their stall on Families Day on the 2nd July!

Council welcomes new clerk

The Council was pleased to welcome the new Town Clerk, Huw Jones, who commenced work in April.

Previously, Huw had served as Clerk for six years at Chepping Wycombe Parish Council in Buckinghamshire and before then he worked for various District Authorities and London Borough Councils. Commenting on his new position, he said: "It is a real privilege to be asked to take on the responsibility of being the Town Clerk. Elstree and Borehamwood has an interesting and varied heritage and I want residents to have a renewed confidence in the services we provide as being of the highest calibre."

The Big Local Picnic

Community Action Hertsmere have been working with the Big Lottery Fund, Hertsmere Borough Council and the Town Council for a new event in the Town Festival they are calling "The Big Local Picnic" on Sunday 19th June.

Shanie Hutton, Events Coordinator for Community Action Hertsmere, explains: "We want the community to come together to celebrate our diversity at Aberford Park, it's going to be a fun day for all with a stage to showcase local acts, stalls and taster sessions for the other activities we run. We would love to hear from anyone interested in performing or getting involved in the event. Otherwise simply come along between 12pm and 4pm with a picnic and soak up the sun and great atmosphere". Shanie can be contacted on 02082074504 or by emailing shanie@communityactionhertsmere.org

Breastfeeding in Borehamwood

Are you expecting a baby and planning to breastfeed or are you a new mum who is currently breastfeeding?

Breastfeeding helps to boost a baby's immune system and provides all of the nourishment and comfort a newborn needs. Breastfeeding also offers mums a unique opportunity to bond with their baby and the health benefits for both mother and child are numerous not to mention completely free and convenient.

Hertsmere Children's Centres have recently funded a training programme delivered by the Breastfeeding Network to train nine Hertfordshire mums as breastfeeding peer supporters (BfN Helpers). These BfN Helpers are now volunteering in support groups across Hertsmere, including a weekly coffee morning at the Borehamwood and Elstree Children's Centre every Tuesday morning from 10am-11.30am.

Pregnant and breastfeeding mums are very welcome to come along for the opportunity to meet other mums and discuss breastfeeding questions and issues with the trained BfN Helpers.

For more information and support on any aspect of breastfeeding, please come along to our group, or contact the National Breastfeeding Helpline on 0300 100 0212 or visit www.breastfeedingnetwork.org.uk

Busy Spring Term

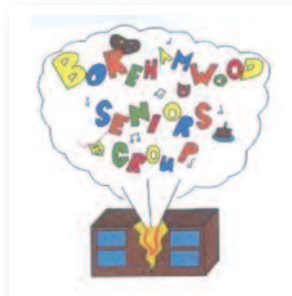

From hosting inspectors from Ofsted on way to receiving their 'outstanding' rating, taking Jewish Studies and being involved with NACE (the National Association for Able Children in Education).

It's been a busy Spring Term for the pupils of Yavneh College who were also able to work on activities focusing on the local community. One exciting project was being asked by The Borehamwood Seniors group to design a logo and poster for them.

The Seniors group is a new organisation which will meet regularly to offer exciting and creative activities to the elderly in the area. The Seniors got together and judged Yavneh's logo competition and reported back that it was a very difficult decision to make, as the standard was so high.

The winners were invited to the opening of the Senior's group to receive their prizes and Yavneh College's budding artists have been asked if they will give a lesson to the group next term.

Yavneh students met Hertsmere Borough Mayor Linda Silver

be there! do it!

Summer-thing for everyone

Get bored in the summer? Live in Hertsmere? Have children or grandchildren aged 9 to 19?

If you answered yes to any of these then Hertsmere has something for you.

The 'Be There! Do It!' programme runs throughout the summer holiday and has a range of activities for young people in Hertsmere including go-karting and horse riding.

The programme will be running throughout Hertsmere in August. Prices are very reasonable and some activities are free.

The summer brochure will be available at the beginning of July, so if you would like to be added to the Be There! Do It! mailing list, please e-mail your name and address to community.services@hertsmere.gov.uk or call us on 020 8207 7801.

Distraction burglaries, rogue traders and pickpockets

Your local Neighbourhood Watch are keen to make residents aware of how they can reduce the risk of becoming victim to distraction burglaries, rogue traders and pickpockets.

With that in mind, Richard Jarvis the NHW Ward Co-ordinator for Hertsmere and Vice Chairman of Hertsmere Borough Watch is currently visiting sheltered housing, over 50's clubs, drop in centres, housebound residents and in fact any group that would benefit from being shown DVDs from the police giving information on these sort of crimes and how to guard against them (TV and DVD player can be provided).

The DVDs run for a total of 35 minutes and demonstrate how easily people, especially the elderly or vulnerable, can be distracted or duped by unsavoury characters.

Richard is willing to attend any meetings you have coming up to show these important DVDs and answer any questions you might have.

Alongside the information, Hertsmere Borough Watch has a range of inexpensive security equipment which will be demonstrated if requested, or course there is no obligation to purchase either way.

Any group interested in inviting Richard to their meeting please telephone 020 8953 9530 or Email rjarvis@talktalk.net

Hertsmere Borough Watch wish to also give a special thanks to Angela Saunders, who, after seven years loyal service retired from the role of Chair of the association in September 2010. She was much respected and widely admired for all her hard work in maintaining the profile of Neighbourhood Watch in Hertsmere and will be greatly missed by everyone. We wish Angela all the best in her future endeavours.

At the heart of the community, Elstree and Borehamwood and the World

The Rotary Club of Elstree and Borehamwood has served the community for 69 years; its Charter was flown from America in 1942 in the bomb bay of a plane being delivered for service in World War 2!

Each year the Club usually joins in the Civic Festival by organising the Schools Art Show in the Village Hall. However, due to the redevelopment of the land at Shenley Road the event will take place at St Teresa's Parish Centre at Shenley Road and will be open for public viewing from Friday 1 July until Monday 4 July.

Many of us over 60 remember hearing that a member of our community was in an iron lung or had to wear leg callipers due to polio or infantile paralysis. Thankfully an early vaccine was introduced to this country in the 1950s and now a more advanced vaccine is given to all children in this country along with numerous others such as for measles, hooping cough etc.

However, although polio was eradicated from this country, children in many other countries continued to catch polio and were left with the unfortunate consequences. 26 years ago Rotary International decided this should not go on and set out to eradicate polio. Working with governments and the World Health Organisation (WHO), Rotary has slowly but steadily reduced the number of countries where polio remained endemic. Whereas at one time thousands of children would catch polio every day, in the whole of 2010 fewer than 500 children were reported to have caught polio in the entire world.

Several schools have raised money for Rotary's polio campaign and as a thank you the children have been presented with special bookmarks associated with the polio eradication campaign.

In February the Rotary Club held a musical celebration in Allum Hall; the audience was entertained by the choir of Summerswood School, the Com.Unity Choir, the Jim Phillips Jazz Group and the Borehamwood Brass Band. Although Rotary still needs further funds to purchase polio vaccine, the proceeds of the evening (£850) were donated to the British Polio Fellowship that looks after people who have lived with the after effects of polio caught before immunisation started in this country - over 120,000 of them.

The Club has traditionally met on Thursday lunch times because Thursday was half day closing in the town and this made it easier for traders to attend meetings. Meetings are now much shorter than they were in 1942, running from 12-45 to 1-45.

The Club meets at the Premier Inn in Elstree Way and welcomes interested visitors.

Anyone interested should contact Chris Watts on 020 8953 1188 or David Clout on 01923 854403.

All things bright and beautiful

The children of the Junior Church at St Michael's, Brook Road are working on a new nature garden behind the church hall where they meet.

With the help of a grant from 'Awards for All', rubbish, brambles and weeds have been cleared. Daffodils and plants that bees and insects like have been planted. The children have set up bird boxes and feeders, a bat box and hedgehog nest. They are now sowing seeds for their flower border and are growing tomatoes and sunflowers.

Children aged 4 and upwards are welcome to join us on Sunday mornings at 9.30am. They also meet for activity sessions and outings at other times.

For more information: ring Richard, the Vicar on 020 8953 2362, email stmichaelsvicarage@btinternet.com

New Ark manager makes his bow

It is an exciting time for The Ark Theatre Borehamwood, the purpose built performance venue for the local community located on the upper site of Hertswood School. New Theatre Manager Tom Lagden is now at the helm with The Ark ship-shape and ready to sail.

Tom was previously at the Mercury Theatre Colchester where he successfully brought the likes of Lee Evans, Elkie Brooks, Michael McIntyre and West End hit *The 39 Steps* to the Essex venue amongst many others. He has similarly ambitious plans for The Ark:

"The Ark has huge potential and all is set for it to become a fantastic venue for the people of Elstree, Borehamwood and beyond. We've recently had a visit from Jimmy Tarbuck and have many more exciting shows scheduled including music and comedy from Richard Digance, fantastic magician Ali Cook and Callas a fascinating drama about the life of Opera legend Maria Callas. We're also delighted to be welcoming Rabbi Lionel Blue to The Ark during the Elstree and Borehamwood Festival. Our aim is to schedule a progressive programme of visiting drama, music, comedy, dance and film complimented by work produced by the community, for the community."

The full early summer programme for The Ark can be found online at www.thearktheatre.co.uk or by contacting the Box Office on 0208 2387288.

Police Community Support Officer

DETAINING shoplifters, dealing with drunken behaviour, reducing the number of purse dippings (pick pocketing) and maintaining a high visibility presence is the role of your town centre Police Community Support Officer (PCSO) Chris Messetter.

"I aim to be visible and approachable in the town centre," said Chris, who has been working as a PCSO in the town for five years.

"I love being out and about, speaking to residents about their concerns, helping them find solutions to problems - whether they are quick fixes or long-term issues - and helping residents feel reassured that action is being taken."

He added: "With the warmer weather, I'd remind residents to make sure they close their windows and doors when they go out, or are in the garden, to deter opportunist burglars."

You can contact Chris on his radio when he is on duty by calling 01707 354192 - you will initially have to say his name as it is an automated service. Or you can call the non-emergency number 0845 33 00 222 or email him christopher.messetter@herts.pnn.police.uk

Elstree And Borehamwood Town Council Annual Report 2010/11

General Community Services

Allotments

The Council has two allotment sites. Melrose Avenue continues to be well used, with no vacancies and a lengthy waiting list. The Allotment Holders Association takes an active interest in keeping it as clean and tidy as possible.

The Allum Lane site is under-used, with many of the original plots returned to a 'natural state'. However, the few allotment holders that remain there are still keen and interest in the site has increased in view of the waiting list for allotment plots, as such efforts will be made to restore some of the unused plots.

The allotments in Allum Lane

Planning

The Town Council is not the determining planning authority, but has a statutory right to be consulted on all applications within the area. The Environment and Planning Committee regularly meets to consider these.

The Council also considers and comments on other planning, transport and environmental matters affecting the town.

Transport And Road Safety Forum

The Transport and Road Safety Forum has not met for several months but has re-formed for 2011/12.

Public Clocks

Town and Parish Councils have a discretionary power to maintain public clocks, and the Council currently meets the cost of maintaining the clocks on All Saints Church in Borehamwood and St Nicholas Church in Elstree.

The clock in All Saints Church, Borehamwood

Closed Churchyards, War Memorials and Street Seats

The Council continues to care for two closed churchyards in the town area (All-Saints and St. Nicholas) and to maintain the two war memorials. It also provides street seating and most of the seats were recently refurbished.

War Memorial, Elstree

Grants and Loans

The Council assists organisations in the voluntary sector which provide services to and facilities for local residents. Applications for small grants and loans are considered bi-annually at Town Council meetings and awarded from an annual budget of £6000 set aside for this purpose. The next deadline for submitting an application is 9th November. Full details on grants, how to apply and an application form are available on the website - www.elstreeborehamwood-tc.gov.uk

Community Action for Hertsmere which provides the Community Shop receives an annual grant of £10,000 and the Council has also previously given support to the local museum.

Leisure and Entertainment

Fairway Hall

Our popular community hall has been open since 1986 and is used by a wide range of local groups. It is open 7 days a week attracting hirers for private functions from within the town and surrounding areas.

Fairway Hall, Borehamwood

Coach Trips

The programme of coach outings to various destinations started in 1988 and continues to be a huge success with qualifying residents aged 60 or over.

New destinations are tried each year with over 600 people taking the opportunity to have an affordable day trip.

Christmas Decorations

Since the 1970s the Town Council has provided one of the best Christmas street decoration displays in North London and Hertfordshire. Following the introduction of the Health and Safety Code of Practice by Hertfordshire County Council, all of the lamp columns used by the Town Council have been made safe and an excellent display was put on during December in both Borehamwood and Elstree.

Borehamwood

Festival

In keeping with the tradition established since the 1950s, this year's Festival will again be the largest and most popular community event of the year.

Each year the Council reviews the programme to ensure that standards and variety are maintained.

Entertainments Programme

Guy Fawkes Night – Fireworks Display

The most popular outdoor activity remains the annual Guy Fawkes Night fireworks display, attracting a good attendance last November.

The Town Council believes that this is an enjoyable community social occasion for all ages, and encourages residents to attend safe, organised displays.

Christmas Concert

The annual Christmas Concert by the BBC Elstree Concert Band took place last December at Allum Hall.

These events are designed to promote entertainment and maintain a sense of 'community' in our ever-expanding town.

Children and Young People Under 18 Years of Age

School Swimming

The Town Council continues to support the school swimming programme - as it has done since the late 1970s - in the belief that every local primary school child should have the opportunity to learn to swim. Most primary schools in the town now take advantage of this.

Youth Council

The Youth Council continues to engage actively with issues and concerns for young people and has Members on outside bodies giving a youth perspective on various issues. The Youth Council aims to raise its profile in the coming year by greater publicity and use of the internet.

Any young
person can join

Council

Council Finances and Offices

The Council has had a difficult year in respect of staffing. Ted Foxon, our Handyman for years, sadly died unexpectedly in September and another member of staff has been on long term sick leave.

The Council has underspent on its Budget for the year 2010/2011 in relation to staffing costs and this has resulted in a reduced salaries budget.

Summing up at the Council Meeting on 16th March 2011, the Town Mayor Cllr. Anne Mitchell, stated

"Thanks go to all Councillors, staff (paid and unpaid) and voluntary organisations for their work for the benefit of this Town:

- in providing services and activities;
- in representing the Council on voluntary organisations and outside bodies; and
- in consultations with other agencies.

Thank you also for placing your trust in me as your Town Mayor. I have enjoyed the year immensely.

I wish you all, and all the people of Elstree and Borehamwood, a very good year in 2011/2012"

Elstree & Borehamwood Town Council elections

At local elections on 5 May the following were voted in as members of Elstree & Borehamwood Town Council.

The council are looking forward to working hard for the Town and we wish them all a productive term in office.

SUMMER

Coach Trips

Elstree and Borehamwood Town Council have for many years subsidised coach outings for its residents over 60 each summer.

These ever-popular trips are set to continue with wider choice on offer this year and the Council's Events Coordinator, Ash Tadjrishi, hopes that the addition of these new destinations will prove to be just as popular as old favourites: "Whilst we enjoy being able to help our more mature residents with affordable days out to seaside destinations such as Bournemouth, Southend and Clacton it's always nice to be able to offer something different too. To be taken directly to the centre of London to browse the beautiful museums for only £6 return represents great value and convenience for those that may find the thought of negotiating train and tube off-putting. There are 12 trips in total and they always sell out so we advise those wishing to make the most of the offer to come and buy their ticket as soon as possible. We've already had enquiries about the jaunt to Norwich on market day coinciding with the Lord Mayor's Show!"

Tickets cost £6 and are on sale weekdays from Fairway Hall in Brook Close, 9am-midday. As the trips are limited to over 60s living in Elstree and Borehamwood anyone wishing to buy a ticket must provide proof of age and residence. Coaches depart from Fairway Hall at 9am and begin the return journey at 5pm. For any information please call the Town Council office on 020 8207 1382.

The number of British and American film academy awards showered on *The King's Speech* makes it the most successful film to come out of Elstree studios in its 85 years.

Other Elstree made movies such as *Star Wars* may have been a bigger hit at the box office but none have garnered so many awards around the world.

Little did actor Colin Firth know when he was portraying King George VI on the sound stages of Elstree that his real life counterpart had visited the same studio over 80 years earlier.

In 1929 the Duke of York was invited to visit the set of *Blackmail*, being directed by the new boy wonder of British cinema Alfred Hitchcock. Hitch had started the film as a silent movie but the craze for sound was sweeping the country so Elstree studios hastily erected a sound stage allowing sound sequences to be added.

The future King George watched some filming and saw first hand the difficulties encountered in those pioneering days. One such problem was that the star, Czech actress Anny Ondra, looked good on camera but her heavy accent made her an unlikely cockney girl. To avoid recasting the studio decided that an English actress would sit next to a microphone just off camera and speak the lines while Anny mimed the words! It was a success but Anny returned to making movies on the continent and married German world champion boxer Max Schmeling.

The Duke was accompanied by the Duchess of York who 22 years later would return as Queen Elizabeth with her daughter Princess Margaret to visit the set of *The Magic Box* starring Robert Donat and a host of guest stars. The film was being made to help celebrate the festival of Britain.

Her grandchildren were also destined to make royal visits to Elstree studios with Princess Anne officially opening the Maxwell building in 1985 and Prince Charles the new sound stages in 1999.

Another character featured in *The King's Speech* was the future Edward VIII played by Guy Pearce. His real life counterpart when Prince of Wales made several private visits to the studio in the 1930s. To think how they all drove along Shenley road to go through the gates of this historic and world famous dream factory!

Changes afoot at Elstree Cricket Club

Elstree Cricket Club is delighted to announce a new ground share arrangement with Hatch End Cricket Club.

Hatch End will be "moving in" with Elstree following a difficult but necessary decision to leave what has been their home at Shaftesbury Playing Fields since 1933. Following a fire that destroyed their clubhouse in 2008, Hatch End were keen to find a new home to secure the future of their much loved and established club.

Both clubs recognise the benefits of working together to secure the future of their precious clubs. Whilst both teams will continue to play competitively and independently within the Hertfordshire Saracens League, they are looking forward to coming together to field a joint team for Sunday friendly fixtures.

On Wednesday 22nd June Elstree Cricket Club host the Annual Festival Cricket Match, one of the oldest events in the annual Civic Festival. Having lost to Mick Hoare's Civic team for the past couple of years Elstree (with the help of Hatch End) are keen to regain the trophy this time round. Who will prevail this time? Come along to the ground at Aldenham Road for an enjoyable summer's evening entertainment from 6.30pm. Plenty of time between overs to grab a drink from the licensed bar too... A free buffet for the players and guests will be available after the match too!

New players are always welcome, please contact the club on 07956 217123 for more information!!

Elstree Lawn Tennis Club

Dust off your trainers and get out into the fresh air at Elstree Lawn Tennis Club.

As part of the Elstree & Borehamwood Town Festival we are planning an afternoon of tennis drills and activities for young people at Meadow Park Tennis courts during Families Day on Saturday July 2nd. Coaches and players will be on hand to answer any questions you may have about the club. The event will be free of charge and no previous experience is necessary. Rackets will be available and we will even provide refreshments! Two weeks later on July 14th, we invite you all to our club Open Day. Once again we will provide refreshments and adults can enter the Elstree Open Festival Tournament with the chance to win a trophy.

Situated just behind Elstree village on the corner of Aldenham Park we welcome players of all ages and abilities and run a variety of events ranging from junior coaching and adult rusty rackets through to league matches, floodlit tournaments and summer BBQ's. We pride ourselves on being a relaxed and friendly club and are always looking for new members to join in the fun. There's no better way of exercising than getting out into the fresh air with the sun on your face. Come along and give us a try, you won't be disappointed!
